

ATTESTATION OF CONFORMITY

Proof of Continued Supervision no. 2020-11-19-01 - IOS-MAT-0003

In accordance with the provisions of the supervision agreement required within IKEA specification no. IOS-MAT-0003, version AA-10899-15 dated 2020-07-06 – Formaldehyde requirements of wood, wood-based and wood-like natural materials and products – Section 4.1.2,

Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH)
Zellescher Weg 24, D-01217 Dresden, Germany

as IKEA-approved third party (supervising body) and IKEA-approved laboratory has

- (A) verified the accuracy of the formaldehyde emission test procedures and facilities used by the composite wood product manufacturer to conduct formaldehyde emission tests
- (B) monitored the manufacturers quality assurance programs
- (C) provided independent audits and inspections

according to Third Party Surveillance and
Certification Contract WBP-2020-01-01-01/2117062/2117128
and confirms that the material

Curved Layer-Glued Material with formaldehyde-containing glue
“Birch curved layer-glued furniture parts”
in the nominal thickness range of 7 mm - 12 mm

manufactured by
Plywood plant “Vlast Truda”

at its manufacturing site
Pereulok Schirokij 31
442150 Nizhny Lomov, Penza region, Russia

complies with the applicable IKEA formaldehyde limit requirements set forth in
IKEA IOS-MAT-0003 v15 Section 1.5.1.1 Table 5:

EN ISO 12460-3 = 1.2 mg/m²h

This evaluation is based on **Supervision Report 2118062/2020/02** dated **19 November 2020**.

The initial supervision agreement certificate no. 2020-04-14-01 is not renewed after each audit. This **proof of continued supervision is valid for 8 months**.
